

REGARDING CAL GRAD UPGRADE TO ACCREDITED DEGREE OPTIONS

To upgrade to an *Accredited Degree*, graduates should take 9 credit units. The cost is \$2,000 for tuition and \$500 for the certificate, graduation and administration expenses: Total - \$2,500.00. A discount of 300.00 is given to those alumni registering for the upgrade by May 31st. 2019.

Currently, Cal Grad is approved from Bachelor to Doctor of Ministry. Unfortunately, the Ph.D. is not accredited yet. We plan to receive approval in the near future. Thus, you may upgrade the unaccredited Ph.D. to accredited DMin. degree for now, and, then to an accredited Ph.D. later. There will be no additional costs, once Cal Grad has an accredited PhD degree program.
